Share creativity - Get messy Work with clay and your child

KHS Pottery is offering classes for children and their parents. Each class has the parent and child working together. The projects are designed for pre-school age children. Siblings not registered may not attend classes. Please have one adult for each child registered. Class size is 2 - 4.

Each session has 2 classes, except the Painted Valentine class. In the first class you will make the project from wet clay. You'll glaze your fired pieces in the second class. Later you pick up your finished pieces!

During these one-time classes, you and your child make the pots. I fire will fire and glaze them for you to pick up later. See class descriptions above. Classes last one hour.
